

## Community Involvement

At Biggar & District Credit Union we pride ourselves on living our motto and *building better communities*. Over the past two years we have made an effort to continue our involvement despite the challenges. We are beyond excited to be back, hosting our favorite events in person.

## Save The Date

We are happy to announce that Credit Union Day is Thursday, October 20th. We will have coffee, treats and prizes in each of the branches. This is our chance to thank our members for their continued support.

## Spring Community Cleanups 2022

Community Cleanups were held in Biggar, Perdue and in Landis (for the first time) this year.

Biggar's Cleanup was held on a cool and rainy May 10th. The schools, our staff and community volunteers were undaunted by the weather. However, it was too rainy for a great picture with a big pile of garbage bags. Pictured are Prairie Malt staff volunteers.

The cleanup in Perdue was held on May 11th. The staff, students and volunteers enjoyed a lovely day. Credit Union staff served up hotdogs with Bill Hammel, Biggar & District Credit Union CEO (pictured) lending a hand at the condiment table.

We were pleased to pitch in and cleanup in Landis this year. This pile of bags has more leaves and winter debris than trash. Staff and volunteers cleaned up in Lions Park and around the LDCI grounds.

## Meet our newest staff members

This summer we welcomed two MSRs and a new Receptionist to our Front Line Team.

**Josianne (Josie) Arseneault** (pictured left) joined us in August as a full-time Member Services Representative in the Biggar Branch.

**Erin Boisvert** (middle) started on June 20th in the Receptionist role. You may have already had a chance to chat with Erin when you called in to the Biggar Branch.

**Trishell Solanik** (right) also started in August as a full-time MSR. She will be working in the Landis and Biggar Branches.

# Introducing Small Business Digital Banking

Your business never stops and neither should your banking.
