We are seeing the world start to open up, and are looking forward to celebrating in person once again. Thank-you for your continued support as we look forward to a successful and fun filled 2023.

## Casual for a Cause

Every Friday the staff members of Biggar & District Credit Union, Insurance Services and Accounting Services wear jeans in support of our Casual For a Cause campaign. Causes are selected by our staff members. In 2022 so far Casual for a Cause has raised \$5,420 for our "Causes". Pictured below are just a few of our donations this year.

## The Gift of Giving

This year, our staff social committee decided to change things up. Instead of planning our traditional 12 Days of Christmas where staff members were entered to win one of 12 prizes, they asked for donations of items or cash to the Food Bank and Secret Santa. Participating staff were entered in a draw.

Barb deHaan accepted the donation on behalf of Biggar & District Food for Thought (pictured with credit union staff members Shantelle Downton and Jenna Scott). Lorraine Heather and Jo Angelopoulos accepted on behalf of Secret Santa (pictured with credit union staff members Jenna Scott and Hailey Metz).

## Teaming Up For A Slam Dunk

We love to partner with other organizations in our communities. Sometimes we have an opportunity to team up with our subsidiary companies to make a larger impact. This year Biggar & District Credit Union, Accounting Services, and Insurance Services came together to donate \$2,500 to the Village of Perdue to help revitalize the community basketball court. Terry Fyson, Mayor of Perdue, accepts the cheque presented by Tim Goddard, Regional Manager.
