

Karen Gamble

Karen resides in Asquith with her husband Alex, and daughter Jenna. Her son Ryan is an electrical engineer in Calgary, and her daughter Lindsay is an accounting technician, living with her husband in Saskatoon. Karen and Alex began business as Rapid City Excavating in 2000. Karen began working at Al Anderson's Source for Sports in Saskatoon in 2006, and is the Accounting Manager there.

Karen enjoys curling, swimming, reading and participating in community activities. Her accounting certificate allows her to volunteer as auditor for many service clubs and sports groups.

Karen has been a director on the board of the Biggar & District Credit Union for several years now, and feels that this experience, combined with the knowledge she gained from attending the CUDA director training program is an asset to our credit union. Karen also serves as Biggar and District Credit Union's delegate at the provincial credit union level. She enjoys the challenges and opportunities of being a director and helping the economic development of the Perdue area. She believes that Perdue has a promising future and that the credit union will be involved directly in farming, small business and personal finances for many years to come. Please vote for Karen for another 3-year term.

Karen Itterman

My name is Karen Itterman and I want to be a Board Member with the Biggar and District Credit Union. I believe I have the qualities and experience necessary to help lead the credit union system in our community into the coming years. I look forward to the opportunity to serve the members of the credit union and the community.

I am married to Ray and we have two children. Brent is currently working for a roofing company in Saskatoon, and Lianne is studying at the College of Education and will complete her degree in April. My parents, Peter and Florence Peterson, also reside in Biggar.

Recently I became employed as the Office Coordinator with the Biggar New Horizon Project, which I enjoy a great deal. I have also worked as a secretary at the Biggar Composite High School and as a receptionist at SaskTel.

Currently I volunteer with PALS church organization, Heartland Health Kids in the Kitchen program, as well as various Biggar Central School functions, Biggar Community Connections and the Biggar Museum and Gallery. I am a member of the Biggar and RM of Biggar 100th Centennial Celebration committee, Biggar Millennium Project and the Biggar Genealogy Society.

My board experience with the Sun West School Division for four years, and three years with the Biggar School Division has assisted me to develop the many skills necessary to be a contributing Board Member with the Biggar and District Credit Union.

I am asking for your support to become a Board Member with the Biggar and District Credit Union during this exciting time in the life of the Credit Union system in our community.

Tim
Liska

My name is Tim Liska and I, along with my wife Karen, have been farming south of Biggar for the last 28 years. We have a mixed farm which includes grain, cattle, horses and honey bees.

I am also a ski instructor, and have been teaching and coaching alpine skiing for the last 15 years. I have helped start, and was a board member of, a livestock co-op for about three years.

Earl Nostbakken

Earl is presently retired, having taught for most of his 30 years in the Biggar Composite High School. He is married to Mary Ann, and they have 4 children and 4 grandchildren.

Earl has served several terms in many positions, on the board of the Biggar and District Credit Union; he was also a member of most of the organization's committees. He was a delegate to the Credit Union Central of Saskatchewan for 12 years, and also sat on that board for several years. Earl was also served on the board of Co-operative Trust where he served as the chair of the Audit Committee.

Earl is presently on the council of Redeemer Lutheran Church, and is a lay representative to the Biggar & District Ministerial Association, where he is treasurer. He is also a board member of the Lutheran Theological Seminary in Saskatoon. He has served on a number of other boards including Prairie West Regional College, the Lutheran Collegiate Bible Institute, the Saskatchewan Council for Community Development, the Saskatchewan English Teachers Association, and the Biggar Library.

If elected, Earl brings a broad background of experience from serving on various boards, and in the credit union system at the local, provincial and national level. He is committed to the co-operative philosophy on which the credit union is built, but is also aware of the practical needs of the organization that must be met to keep it viable. With your support he would be pleased to serve once again on the board of the Biggar & District Credit Union, and to help it continue to serve the needs of the membership and of our community.

Louise Roenspies

Louise moved to Biggar 13 years ago from Lanigan . She has been married to her husband Bill, a welder at Prairie Malt, for 31 years. Their daughter Lindsay resides in Saskatoon. In her spare time, she enjoys curling, camping and golfing.

Louise currently works at the Biggar and District Daycare and is still advancing on her Early Childhood Development education. She was a past member of the Lioness Club for 10 years, as well as director on the board of the Biggar and District Credit Union for two 3-year terms. She is a strong advocate of community mindedness, which includes shopping and banking locally. She firmly believes in volunteering for the betterment of the whole community.

Louise has enjoyed serving on the board of the Biggar and District Credit Union, and values the knowledge and experiences she has gained throughout that time. She feels that the Credit Union serves the community well in every aspect and those values match the philosophy that she and her husband share. It is for these reasons that she is interested in continuing to serve on the Credit Union's Board of Directors.
