

Manager's Message

As this year draws to a close, I can't help but reflect on all the exciting accomplishments that have been completed. Welcoming the Landis members to Biggar and District Credit Union allows us to provide complete financial services to our communities in Landis, Biggar and Perdue. Our staff did an awesome job of making these changes with very little member impact.

Our new Collabria Credit Card offering is an exciting line of full credit card options. I would like to thank you for your patience with these changes and our staff for making this a smooth transition.

Adding value to your experience is a priority for us. Our staff remain dedicated to continuous training and ongoing courses to help make this possible.

Our board of directors are committed to "building better communities". Their dedication and commitment to our governance processes is commendable.

I would like to thank all our members for choosing to deal with us. We appreciate your business and look forward to serving you in the future.

Wishing everyone a safe and happy holiday season.

— Bill Hammel, CEO/General Manager

Building Better Communities

Sharing the Warmth

We partner with the Biggar & District Family Centre on our annual Share the Warmth* campaign. Donations of gently used, warm winter clothing are collected at our three branches. The donations are shared free of charge. All donations come from and stay in our community. Donors

are entered in a draw to win a \$75 gift certificate at local grocery stores. On November 12th Chanda Newton, the Family Centre's Clothing Exchange Coordinator, hosted "Sharing Time". She's pictured with one of her volunteer helpers, Tracy Ekman in front of some of the racks of clothes that evening.

Casual for a Cause

Every Friday the staff members of Biggar & District Credit Union and Biggar & Landis Insurance Services wear jeans in support of our **Casual For a Cause** campaign. Causes are selected by our staff members in July for the following 12 months, and each month we make a donation. In 2019 so far Casual for a Cause has raised over \$4,500 for our "Causes".

Pictured below are a few of our recent donations.
