Spring Community Cleanup

We held our 11th Annual Biggar Spring Community Cleanup on May 7th. The day started out cool and cloudy, but soon enough the sun came out. Students from Saint Gabriel and BCS2000 schools along with local volunteers and businesses pitched in to cleanup.

We would like to give a special thank you to the Town of Biggar for their assistance again this year.

Our credit union staff and directors, along with the staff of Biggar & Landis Insurance Services not only helped clean up, they cooked over 600 hotdogs!

On May 14th the students and staff of Perdue School, Perdue Day Care, Community Volunteers, The Store, and The Village of Perdue, came

together on a beautiful morning and pitched in to clean up in Perdue.

Thank you to Chuck Strate for donating the BBQ & coolers.

Thanks also to our credit union staff and directors who BBQ'd the hotdogs and served them up.
