Summer 2021

### #TrashtagChallengeBDCU (Spring Community Cleanup 2021)

Due to COVID restrictions we didn't get a chance to hold our annual Spring Community Cleanup in 2020. This year we knew that folks in Biggar, Perdue and Landis were ready to cleanup their communities and are always ready for a challenge. So, from May 10 to 18 we held a COVID respecting, socially distanced #trashtagchallenge.

## Staff News

Please help us welcome the staff that joined our credit union team in 2020 and the first half of 2021

**Tracy Goring**  
joined the Member Services Team in January of 2020. She works in both the Biggar and Landis Branches.

**Cherie Lilley**  
is a Member Services Representative working in the Perdue Branch. Cherie started with us in November of 2020.

**Jennifer Quessy**  
is working in our Wealth Management Team. She started with us at the beginning of March this year.

**Brock Silvernagle**  
joined the IT Team in October, 2020. Brock provides IT support in all three of our branches as well as Biggar & Landis Insurance Services and Biggar & District Accounting Services.

## Biggar & District Accounting Services

In January we launched a new business. **Biggar & District Accounting Services** operates from the offices located in the R.M. of Biggar building at 201 2nd Avenue West.

Our board of directors identified a need in the community for additional tax-planning and accounting services. It is a natural fit with our vision of providing full financial services for our members.

Biggar & District Accounting Services is managed by Amy and Dylan Haynes, both Chartered Professional Accountants. We are very pleased to welcome them to our credit union family
